Warren Department  
Securo Auditor's Off  
January 26<sup>th</sup> 1853.

Sir

The letter of R. E. B. Baylor esq<sup>r</sup> addressed to you & referred by you to this office, embraces three claims upon the Government, the first for Bounty land which pertains to the Pension office, the Securo for a horse killed at the Battle of Los Tuleos, which belongs to the office of the Third Auditor & the last for forage & Rations from the Mustering in of his Company from San Antonio to Monterrey - This pertains to the Securo Auditor's office. No such claim has ever been filed here - Several years ago a claim was filed through Mr Tolan Underwood, embracing not only forage
